

Barry's Car Calendars

Model's Required

Concept and requirements

Please read completely and carefully

Models will be photographed with the vehicle in both a period costume suitable to the year of the automobile as well as photographed with the automobile in a Racer Girl outfit.

The image of the model and vehicle in period will be inset in an aged photograph on the image of the model and vehicle in a colour photograph in the Racer Girl outfit.

The model will receive images for her portfolio including tear-sheet.

The model will have the opportunity of attending Car Cruises and Car Shows where the calendars will be sold and autographing the calendars and receiving 10% of the gross sales as a commission.

If interested in participating in this project please e-mail models@excaliburphoto.com and include the following information;
